2015 COMMODORE BUDDY NICHOLS

I would like to thank everyone for being a part of the Great Oak Yacht Club. I'm sending a special thank you to all Past Commodores, Officers, Directors, Dock Captains, Committee Chairmen and Workers for your help and support this 2015 season. I wish everyone a great boating season filled with lots of fun at Great Oak Landing.

Please show your thanks and support to our Roster Advertisers by patronizing their businesses. Don't forget to mention you saw their ad in the Great Oak Yacht Club Roster Book.

Your Carpet Replacement Specialists

Less Cost

Less Downtime

Less Hassle

Reduce *your* Cost
of Carpet Replacement
by as much as 30 Percent.

Complete furniture disassembly and staff relocation is not the only solution for carpet replacement. Utilizing Renovisions® Patented Furniture Lift for the Occupied Office, **Chaillet-Nichols, Inc.** provides you with an efficient and economical alternative to dismantling and moving office furniture. By simply lifting your existing furniture to replace the carpet, the need for moving, furniture disassembly, and employee relocation is no longer necessary.

- **Certified Technicians**

All of our technicians are U.S. citizens, speak fluent English, and have completed a thorough background check. Our technicians are familiar with virtually all types of furniture systems.

- **24/7 Installation Available**

Our work can be performed at anytime – 24 hours a day, 7 days a week.

- **Flexible Payment Options**

CNI accepts MasterCard, Visa, and American Express – or you can utilize CNI on your GSA schedule.

General Commercial Lithographers

Servicing your digital, sheetfed and web press needs from single color thru full-color reproduction & U.V. coating

Complete In-House Bindery

Includes: wire stitching (side & saddle), perfect binding, Smyth sewing & GBC binding (plastic comb).

Special Capabilities

Includes: drilling, perforating, film lamination, padding & glue binding – typesetting, imagesetting & pre-press facilities on the premises.

Computer-to-Plate

We invested in the latest CTP (computer to plate) technology in order to pass on cost-savings to our customers. CTP reduces the need for film and sends files direct to metal plate, significantly reducing output costs and improving quality. This sophisticated technology also offers improved turnaround times and first generation dot quality.
