2016 COMMODORE **Doug Sopher** and First Lady Jackie

I am honored to be your Commodore during Great Oak Yacht Club's 36th year. Jackie and I would like to thank all our members for your support during the past and in the future events scheduled for this year. We look forward to a fun-filled memorable year of boating at Great Oak Landing.

Please show your thanks and support to our roster advertisers by patronizing their business. Don't forget to mention you saw their ad in the Great Oak Yacht Club roster book.

General Commercial Lithographers

Servicing your digital, sheetfed and web press needs from single color thru full-color reproduction & U.V. coating

Complete In-House Bindery

Includes: wire stitching (side & saddle), perfect binding, Smyth sewing & GBC binding (plastic comb).

Special Capabilities

Includes: drilling, perforating, film lamination, padding & glue binding – typesetting, imagesetting & pre-press facilities on the premises.

Computer-to-Plate

We invested in the latest CTP (computer to plate) technology in order to pass on cost-savings to our customers. CTP reduces the need for film and sends files direct to metal plate, significantly reducing output costs and improving quality. This sophisticated technology also offers improved turnaround times and first generation dot quality.
